Vin de Vin Wine Tasting and Collecting Consultants

started in response to the growing interest in wine. We create exciting wine events for the lifestyle generation. Why not have wine education as the theme for your next event or party?

About Vicente M. A. Pina, CSW

Vicente "Vin" Pina started Vin de Vin Wine Tasting and Collecting Consultants to take the mystery out of the world of wine. He conducts wine events for businesses, individuals, and groups, with a focus on education, information, and fun. He also conducts educationally oriented wine tastings for wine connoisseurs.

In addition to conducting wine tastings throughout the Northeast, Vin is the author and publisher of the *GrapeVine* newsletter, a monthly Internet publication focused on wine-related topics.

Vin is a Certified Specialist in Wine (CSW) and is a member of the Society of Wine Educators and the German Wine Society.

Vin has traveled throughout the United States, Asia, Central and South America, the Caribbean, the United Kingdom, Australia, Italy, Ireland, and Portugal.
